

African Caribbean Achievement Project (ACAP)

Organisation & Challenge details

ACAP supports children, young people, and communities of African and Caribbean descent, while also welcoming all backgrounds. They empower them through various initiatives, including pioneering mentoring programs, STEM clubs, tutoring, and parental training for educational achievement. Additionally, ACAP promotes health and well-being via classes, mental health support, and fosters cultural pride through arts, culture activities, and community engagement.

Project Details

ACAP have recently benefitted from a full premises renovation. The final element is to now paint the whole building. Below is a breakdown of what this will entail:

- Preparing surfaces
- Two coats of Acrylic Durable Matt on walls
- Gloss all skirting boards and doors

Preparation

Volunteers will be undertaking painting activities and are required to wear old and reasonably robust clothing that you will not mind getting paint on. We do offer paint overalls, although these do not guarantee no damage to clothing. We also require sensible sturdy footwear, avoiding heels and open toe footwear. Where personal protective equipment is required, it will be provided.
