

Frizinghall Community Centre

Organisation details

Frizinghall Community Centre provides essential education, youth programs, and health services to combat social isolation and poverty in Bradford. By partnering with organizations like the NHS and local council, they offer vital support ranging from food banks to benefits advice. This collaborative approach empowers residents of all ages and backgrounds to gain life skills and improve their overall well-being. Ultimately, the centre serves as an inclusive hub that strengthens the community's social fabric and resilience.

Challenge Details

Frizinghall community Centre recently obtained a grant to green up their outdoor space. They have decided to utilise this grant to install the following:

- Build and Installing 2x large seated planters*
- Build and Install growing beds*
- Paint builds (end of the day)

On-site support

On the day Participate will be providing a member of staff to support the volunteers. A first aid kit will be available during the challenge. A tools talk and health and safety briefing will be given by Participate at the beginning of the day.

Preparation

Volunteers will be undertaking general construction and painting activities. Volunteers should pay particular attention to footwear wearing sturdy, comfortable footwear. Do not wear flip flops, Crocs or any other open footwear. Where personal protective equipment is required, it will be provided. Activities are taking place outdoors and as such the volunteers should be prepared for inclement weather or sunshine.

Materials, tools and equipment

Participate will be providing all tools and materials to support the challenge.
