Organisation details

Pompey in the Community (PitC) is an award-winning charity that delivers programs focused on education, healthy living, and sports, supporting vulnerable and disadvantaged people across the local area. Their commitment to the community is highlighted by the John Jenkins Stadium, a six-year, purpose-built development that can be accessed by up to 13,000 people every week. This vital facility hosts a diverse range of teams, including SEN, Amputee, LGBTQ+, Women's, and Disability teams, and also operates a Referee Academy to deliver free training for local young people.
