

Idle & Thackley Theatre Group

Organisation details

The Idle and Thackley Theatre Group are a friendly amateur dramatics group and one of the most experienced groups in the region, having staged productions for over 95 years. The main group put on at least three productions each year, including our very popular Christmas pantomime and teach an increasing number of youngsters (the IT Kids) which also put on their own productions.

Challenge Details

Their little studio has not seen a renovation in over 15 years and it badly shows. Your challenge will be to restore this well used indoor space: (Site Pictures below)

- Painting Entrance Hall
- Painting Changing Room
- Paint Main Hall

Number of volunteers

This project can accommodate up to 10 volunteers on the agreed date.

On-site support

On the day Participate will be providing a member of staff to support the volunteers. A trained first aider and first aid kit will be available during the challenge. A tools talk and health and safety briefing will be given by Participate at the beginning of the day.

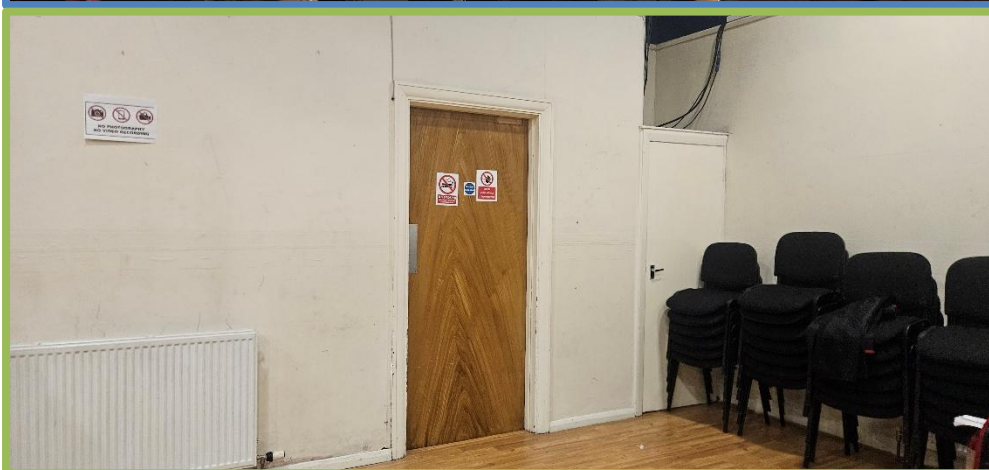

Preparation

Volunteers will be undertaking painting activities and are required to wear old and reasonably robust clothing. Volunteers should pay particular attention to footwear wearing tough shoes or boots. For safety reasons, please DO NOT wear open toe shoes such as flip flops, sandals or Crocs. This is a relatively low risk challenge and where personal protective equipment is required it will be provided. This will include latex free gloves to protect rings etc when painting. Please be aware if you are painting, you will get this on your clothing and will not wash out. Again, we recommend wearing clothing you don't mind spoiling. If volunteers wish to bring their own gloves, they are welcome to do so. This challenge is taking place outdoors and as such the volunteers should be prepared for inclement weather or sunshine.

Materials, tools and equipment to be provided by Participate

Participate and Vanquis will provide all tools and materials to complete the tasks identified.
